At the Historic Post Office

Come yourself or bring a team of friends or coworkers. Bring along a cell phone and join us for your coffee or lunch break. Refreshments will be provided. Give us about 30 minutes of your time to call your friends, neighbors or take a list of local numbers asking their support. By purchasing a postal box in the Historic Post Office for \$100, their name will be engraved on a historic postal box and they will help raise the remaining funds needed to replace all of the windows and doors with historically accurate replicas. All donations are tax deductible and will be matched **4 times over!**
