

## WASTE COLLECTION QUESTIONS AND CONCERNS

The City of Melfort contracts with Greenland Waste to provide a manual waste collection system.

**Q: *Hours of Operation?***

**A:** Containers must be set out on your day of pick-up, otherwise you may miss your weekly collection. Waste will be picked up between 8:00 a.m. and 6:00 p.m. on a scheduled basis from Tuesday to Friday.

**Q: *Where can I get a Greenland cart?***

**A:** Contact Greenland Waste Inc. at 763-3133 or 921-8383.

**Q: *Can I purchase a cart rather than renting one?***

**A:** No, at the present time Greenland Waste is only renting carts, but they are responsible for the maintenance and repair of those carts.

**Q: *Where do I place my Greenland cart for proper pick-up?***

**A:** When positioning the cart on the curb, the wheels should be touching the curb, with the lid opening towards the traffic.
